# Register and create a TLG account

The TLG site provides access to three sets of data:

1. The TLG Canon of Authors and Works. Bibliographies of all authors included in the TLG can be viewed clicking on
2. The Abridged TLG which includes a representative selection of texts with practically all the features of the TLG search engine. The Abridged TLG is free and open without subscription.
3. The Full TLG Corpus which requires subscription.
